## In-House Enrollment

Packets with In-house enrollment information for school year 2008-09 and 2008-09 enrollment cards will be sent out through the before and/or after school programs the week of April 1st. Parents will need to pick up their child's packets from the before and/or after school program staff during this time. Completed packets will be due back in the CASP office by April 25th. This packet will also include information on how to enroll a younger sibling in a CASP program for the first time. Failure to return the completed packet by April 25 will result in the loss of your child's enrollment slot.

Upcoming Events:

- \* March 17th- March 21st: Spring Break (All CASP programs will be closed)
- \* Friday, March 14th: Summer Program Enrollment ends
- \* Sunday, March 15th: Daylight savings time (Spring Forward)

## CASP Summer Program: Now Enrolling!

Returning CASP Summer Program Children (Alumni) are eligible for enrollment until March 14th, 2008. The summer program will run from June 3rd until August 1st, 2008 at Lincoln Elementary. Tuition is \$800 (not including activity fee) for the summer. A \$100 non-refundable activity fee will be due with enrollment; \$50 has to be paid by March 14th and the remaining \$50 has to be paid by April 11th.

Once the deadline has passed, the remaining spots will be filled through a lottery drawing. Any alumni children that did not make the deadline, will have to be put on the lottery list with the other families.

If your child did not attend the CASP Summer Program last year, you can contact the office to get on the lottery list. The deadline to get on the lottery list is March 14th. The lottery for remaining spots will be drawn on March 28th. Please contact Erin in the CASP office for enrollment information and questions.
